

CDF prayer for dental students

“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” (Jeremiah 29:11)

At CDF our desire is to encourage you, to connect you with other Christian dental students and Christian dentists and to help you grow in your faith as you serve and speak for Jesus Christ. We can all draw comfort from this promise in Jeremiah as we live our lives for you.

Lord, we pray that you will guide dental students in the lead up to exams and assessments. There are many calls on their precious time, so don't let them be flustered or anxious, but help them to manage their time effectively for study and for relaxation. Let them know your peace, Lord Jesus Christ.

Lord, we ask that you will walk alongside them, guiding, encouraging and speaking into their hearts. Help them prepare effectively and to retain their learning. Keep them calm in their assessments and able to give clear and comprehensive answers in both written and verbal examinations.

Thank you that you have called them into dentistry. Give them strength, energy and grace to serve you. Graduating from university can be daunting; living in a new place, meeting new people, working in a new place and finding a home in a new church. Help them keep you at the centre of their lives and bring hope where there is uncertainty.

Lord, you are faithful and want the very best for your children. Father God, we all hold on to your promises knowing that you have been faithful, you are faithful and you will continue to be faithful. Praise you loving, living God.

In the name of Christ we pray this prayer,

Amen

Susie Matthew
