Christian Dental Fellowship
An Association of Christians
Working in Dentistry

What is CDF?

The Christian Dental Fellowship is an interdenominational association of Christians working in dentistry. Our aim is to provide an active Christian influence in the dental profession by:

- Uniting and equipping Christians in dentistry to live out their Christian faith in life and work
- Encouraging and supporting dental and dental care professionals in their training, and those who have recently qualified
- Offering practical and spiritual support to our Mission Partners throughout the world

What does CDF do?

Annual Family Conference

Our residential family conference combines bible teaching, mission, clinical debate alongside an excellent children and young people programme. A fantastic opportunity to meet other Christians in the profession. Usually held in October / November.

Regional Meetings

Organised informal meetings are held around the country, with additional opportunities for fellowship, peer support and prayer, and social events.

Dental Students

Our Student coordinator can help connect you with other students. Electives financial support is available.

Three-in-One

Our quarterly magazine is sent out to keep you in touch with news, views and updates on our mission partners.

Prayer Calendar

Sent out quarterly and available as a daily email, to aid us as we pray for members and issues at home and abroad.

Pastoral and Peer Support

CDF offers prayer, pastoral and peer support to members when requested. Contact via prayer@cdf-uk.org, pastoralcare@cdf-uk.org or peersupport@cdf-uk.org. All requests are confidential.

Connect Worker

We have a Connect Worker who encourages our members individually or in regional groups, and supports our student and new graduates work.

ICMDA

CDF is affiliated with ICMDA, which encourages and links medics and dentists, nationally and internationally.

Overseas Mission Partners

CDF has several mission partners working in dentistry overseas. We support them both prayerfully and financially.
