

Student Elective Bursary Application Information

Thank you for enquiring about our CDF Student Elective Bursary. Here is some information about our student elective bursary.

The Elective

- Student Electives must have an element of Christian Faith.
- CDF does not arrange student electives but occasionally we can supply details of known elective opportunities.
- The elective must be approved by the student's Dental School.
- The responsibility of risk assessing and the suitability of electives does not lie with CDF

Applicants

- Elective applicants must be CDF Student members.
- Non-members can join and then apply for the elective bursary.
Student membership is £10.
- Students are invited to submit applications to Council each year on the approved application form available on the CDF website or by email with the equivalent information enclosed
- Applications may be considered at any time of the year at the discretion of the President or Student Coordinator. Once funding has been allocated, further applications will be declined until the following year.
- We will ask for supporting documentation for the elective in the form of a letter/email confirming the offer of an elective and a letter from the Dental School approving the proposed elective.

- Council will decide the allocation and amount for individual electives on the merit of each application.
- The elective bursary will be awarded on condition that a report for the CDF 3-in-1 magazine is submitted on your return within 3 months (preferably 800 words and photos).
- The bursary is divided into 75% before the elective and 25% following submission of the 3-in-1 article upon your return.
- Acceptance of the bursary is an acknowledgement and agreement of the requirement to provide a written report of your elective within 3 months of your return. In addition, it is anticipated that the recipient will be asked to either attend one of CDF's conferences or regional group meetings, or a CDF student Zoom meeting, to give a short presentation of their elective.
- You can find further information about possible electives from the CMF student elective web page: [student electives webpage](#)
- Other organisations providing elective funding and opportunities can be found at [OSCAR, Your mission is our mission](#)

We look forward to receiving your CDF Student Elective Bursary application form for consideration.

Kind regards

Karen Paterson CDF President, President@cdf-uk.org
Alistair Bartlett CDF Student and Newly Qualified Graduate
Coordinator
